Monday

La città: An urban walk "The City from the Walls"

This walk will help you get to know Lucca and the surrounding areas from the viewpoint of the Renaissance walls that encircles the city. The impressive green belt surrounding the historical center proposes a special way to admire the ever-changing scenery of the beautiful view of hills in the distance, or the city below with its unique charm of an ancient history and a modern daily life. The walk ends with a welcoming drink at one of Lucca's bars.

Tuesday

La collina: A walk through the olive groves and vineyards that surround the historical homes of the old nobility of Lucca. When you think about Tuscany, you probably visualize medieval villages, old churches, green cypress-lined roads and even hidden corners, set within a picturesque landscape of green fields, vineyards, silvery-green olive trees and rolling down hills. Well the good news is that it genuinely exists!

Wednesday

Il mare: A walk down by the sea

This walk starts in the Natural Park along the beautiful tuscan coastline where you will walk through the shaded paths snaking through copses of oak, alder, pine and junipers trees and explore the moorlands and the dunes, before finally reaching the sandy beaches of the Tyrrhenian Sea.

Thursday

La montagna: A walk through the mountains. This walk will take you through the mountains north of Lucca, known as Garfagnana, the "green lungs of Tuscany." From the peaks you can enjoy amazing views that range from the Apenines and the Apuan Alps, to the gentle rolling hills and the medieval villages.
