16:30 The pleasures of wine. Using the senses: Look, smell, taste - enjoy!

We look at how to use the information on the label to choose wine, then learn how to maximise enjoyment of the wine using three senses. First we enjoy the colour and texture of the wine in the glass. Next we savour the scent in all its complexity. Finally we taste, enjoying and exploring the unique flavour of each wine. We will be able to use these techniques to the full during our guided wine tasting.

Friday

11:30 The San Ambrogio market and lunch in a typical eating-spot (trattoria): Discovering the colors, smells, and flavors of the local gastronomical tradition.
